xinexus NUCLEAR AG

– The Knowledge Services Company for the Nuclear Industry –

Joining instructions

xinexus NUCLEAR AG is located centrally between Zürich (50 km) and St.Gallen (30 km). We can be reached easily by car or by public transport.

Traveling by car:

Exit the A1 motorway from Zürich to St Gallen at Wil, then follow the sign to Wattwil. Turn right, into the direction of Flawil/Schwarzenbach, then at the traffic light turn left and use the garage at the €-Point Building on your left.

Traveling by train:

Take the Intercity to Wil. The train station is about 2 km from xinexus NUCLEAR AG. You may take the 850.55 bus until Wilfeld and walk the remaining 200m to the €-Point Building or simply call us and we will fetch you from the station.
